

Academic Student Employee Training Fall 2007

During this Workshop, Teaching Assistants and Lecturers will deal with theoretical as well as practical material in language acquisition theory and pedagogy. They will also address the teaching of literature and writing skills. In addition to discussing trends in Second Language Acquisition theory and Applied Linguistics, they will learn about the teaching portfolio.

Attendance at the all-Campus TA Orientation on 09/25/07 is required of all first-time graduate student TAs and Readers. The general Campus Orientation on 09/26/07 is mandatory as well.
